

SEASON V PRESS CONFERENCE

RULE BOOK AND REGULATIONS

THE GENERAL MANAGER: Revealed After Press Conference

SHOWS AVAILABLE THIS SEASON

RAW IS WAR / OLD SCHOOL SMACKDOWN / NXT / FPV / SPECIAL TOURNAMENTS AND IMPROMPTU PROGRAMMING

NUMBER OF MATCHES PER BRAND / PER WEEK

RAW – 3 **SMACKDOWN** – 3

NXT – 4 (NXT will be **every second** week and will be the sole show)

Only RIW and SD will have stables assigned to the shows. **NXT** will be the 'failures or up and comers' program, which workers will battle to hopefully get a shot at a stable or spot on the main shows. Win in NXT then you **get to ask** to be brought up or simply decide to win the NXT Championship and make money where you stay. Only the NXT Championship will be available to be won on that brand. Lose and you may find yourself lonely at the bottom, and maybe not competing at all for an extended period of time.

NUMBER OF STABLES ALLOWED THIS SEASON

We are only allowing **5 Stables** to be formed this season. Now, if a stable is defunct or disbanded then it may be replaced by a new stable if the **General Manager** approves this decision.

The General Manager will see fit to choose who starts said 5 stables in the interest of entertainment value. From there, the leaders will canvas and decide to reach out for new members until complete. This season each stable **MUST HAVE** one '*Mentor*' to head their group. This mentor is **NOT** obligated to wrestle but **MAY** in extreme circumstances at some point and time during the active season.

We are excited to announce that there will be a *female only* stable available to compete for the **NXT/BCN Bitchslap Championships** on each respective show.

STABLE WIN/LOSS POINT SYSTEM IS IN EFFECT

Win **5 matches** with any member(s) of your stable and randomly get to choose who gets to have a title shot on any **show/event/FPV**. However, **lose 5 in a row** and the stable will be sent to **NXT, BROKEN UP** and **CAN** return **IF** they begin to win and the **General Manager** accepts them back on weekly programming.
